STATE OF MAINE

SUPREME JUDICIAL COURT

DOCKET NO. BAR-96-14

BOARD OF OVERSEERS OF THE BAR

Petitioner

v.

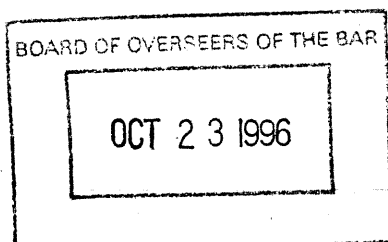

SCHUYLER G. STEELE

Respondent

**ORDER ON MOTION TO
DISMISS OR REMAND**

The Court has reviewed and considered Mr. Steele's Motion to Dismiss or Remand and the Board's response thereto. A disciplinary hearing open to the public was conducted by a panel of the Grievance Commission of the Board of Overseers. That panel concluded "there is probable cause for Bar Counsel to file an information with the Court seeking Respondent's suspension or disbarment." The Information has been filed and will be heard and determined *de novo* by the Court. Mr. Mittel's participation as a member of the Grievance Panel was not determinative of the panel's result nor are his remarks binding upon the Court. Mr. Steele's motion to dismiss or remand is therefore DENIED.
